

October

2013

When you do an activity, have your child color a pumpkin on the next page. Bring at least 12 colored pumpkins back to Building BLOCS and get a prize!!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
		1	2	3	4	5
				Look around your house for things that start with D. Draw them if you can.	Draw an outline of a pumpkin and have your child color, paint, or fill it in with a collage.	Go on a nature walk. Bring home something green and something brown. Count them. Describe them.
6	7	8	9	10	11	12
Eat an apple or applesauce. Do you like it?	Find things in the house that start with B. Draw them if you can.	Make a ghost using the outline of your child's foot. You can trace it or use paint.	Have fun with flavors! Taste something sweet, salty, and sour.	Paint a pumpkin with your child. Let your child decide if it should be happy/sad/scary.	Go on a C/K walk. What do you see that starts with the C/K sound?	Have your child help sort socks today.
13	14	15	16	17	18	19
Go for a walk and find three things that are orange.	Eat something orange. Did you like it? Talk about the color, shape, and if it is yummy/yucky	Make Jello. Get all the items together. Label the actions. Stir stir stir the jello.... And Pour pour pour the water....	Find toys that are round. Bounce them, roll them. Talk about how they are all round. Are some big? Small?	Read <i>The Runaway Pumpkin</i> or watch one of the readings online. Clap or pat legs to the rhythm.	Play "There's a Spider on the Floor" by Raffi (on our Pinterest page. Use your hand or a pretend spider and act it out.	Go on a sensory walk. What do you see? What do you hear? Say "I see..." and "I hear..."
20	21	22	23	24	25	26
Go on a pumpkin hunt in the neighborhood. How many pumpkins do you see?	Read <i>The Little Old Lady Who Was Not Afraid of Anything</i> or watch one of the readings online. Imitate the clothing movements	Have your child help sort silverware today.	Sing Itsy Bitsy Spider with your child. Sing in a low voice/high voice/slow/fast. Have your child choose.	Play with I Spy Bottle and find at least three Halloween items.	Make a dessert and have your child help.	Put an outline of a pumpkin in glue on paper. Use paper, beans, cotton, leaves, etc. to make a pumpkin/jack-o-lantern.
27	28	29	30	31		
Go for a walk. Find three leaves—one big, one medium, and one small	Make a leaf etching using the side of a crayon and paper.	Carve a pumpkin. Talk about how it looks and feels. Let your child help .	Count pumpkin seeds. Write your child's name in glue, and have them put seeds in the glue.	Trick or Treat!! Happy Halloween!!
